

Great Commission Publications

OUR VISION *Consistent with the mission of its parent churches, GCP serves the church with solidly biblical, Reformed publications. We assist God's people with the exciting ministry of making disciples in response to the Great Commission.*

GCP DISTINCTIVES

OUR SOVEREIGN GOD *Our focus is on God as our Sovereign Creator, Redeemer, and King. He is the author of the Bible and its main subject and character. Our purpose is to glorify and enjoy him forever.*

SHOW ME JESUS™ *All of Scripture is the unfolding story of salvation and Jesus is its focus. We show how Jesus, revealed throughout the Bible, came to seek and save the lost.*

GOD'S GRACE IN THE COVENANT *From Genesis to Revelation, God's covenant is the thread that ties the Bible together. We build on that truth to teach students of all ages the consistent faithfulness of God.*

HISTORICAL-REDEMPTIVE APPROACH *This Reformed approach to the Bible is essential to understanding God's Word as the unified counsel of God. Therefore, we interpret each portion of God's Word in context of the whole.*

CHURCH-FAMILY CONNECTION *Church and home: working together to point covenant children to Christ. We believe parents are key in the spiritual training of their children. We provide resources for families to reinforce the solid teaching children receive at church.*

SCOPE & SEQUENCE

CHILDREN'S AND YOUTH MINISTRY IS CENTERED ON DISCIPLING THE NEXT GENERATION—preparing them as lifelong followers of Jesus Christ. GCP's curriculum equips children by rooting them firmly in God's Word. Each age level of the *Show Me Jesus*, *G2R (Genesis to Revelation)*, and *So What?* curriculum uniquely contributes to the overall objective of a well-rounded, in-depth biblical education from toddler through high school.

Nurturing children, equipping teachers, and educating adults are goals that GCP helps you meet as you establish a comprehensive Christian education for your congregation.

Teens have QUESTIONS. God's Word has ANSWERS.

So What? studies get your students into the Bible for themselves. What's your youth ministry plan for this year? Here are just a few suggestions on how to use the 10 studies to disciple your teens:

SHAPE A BIBLICAL WORLDVIEW.

Identity & Purpose is our foundational study on biblical worldview. It digs into Genesis 1–3 to lay the groundwork for a Christian's view of God, man, sin, and redemption. Then use **The Christian Mind**, which further builds on *Identity & Purpose* to shape a biblical worldview.

EXPLORE THE LIFE OF CHRIST.

Combine the two John studies, creating 26 powerful weeks on the Gospel. Use **A Study of John 1–10** in the fall and **A Study of John 11–21** in the spring, coordinating the study of Jesus' crucifixion with Easter.

GROW THEIR LOVE FOR GOD AND HIS WORD.

Help your teens get a deeper understanding of God's character with **Knowing the God Who Is**. Then build on that with **Treasuring God's Word**, which teaches them about the reliability of Scripture and enhances their knowledge of and love for God.

How Do We Help Our Children and Youth Develop **THE WORLDVIEW OF JESUS?**

AS THE NEXT GENERATION grows and matures, they will no doubt bump up against the “catechisms” of the world:

- Q. Who should you live for?*
A. I should be true to myself.
Q. What is the meaning of life?
A. To be happy.

How can we help our young people develop a biblical worldview, the worldview of Jesus? Catechism—teaching using questions and answers—has been used for centuries to teach the Bible. Catechism provides a deep roadmap into the Kingdom vision of the Bible. For example, the first two questions of Shorter Catechism ask and answer:

- Q. What is the chief end of man?**
A. Man’s chief end is to glorify God and to enjoy him forever.
Q. What rule has God given to direct us how we may glorify and enjoy him?
A. The Word of God, which is contained in the Scriptures of the Old and New Testaments, is the only rule to direct us how we may glorify and enjoy him.

By studying these truths—especially in community—we can engage with God’s Word together, applying these concepts to our everyday lives. We think about Jesus, who asked his listeners questions to reveal the innermost depths of their hearts and to see their need for him. By using the framework set out by godly saints now in the “cloud of witnesses,” we can disciple children and teens into a deeper relationship with our triune God.

FROM THEIR FIRST WORDS

This discipleship can start from their earliest days. When our little ones start saying those first precious words—*mama, dada, no!, mine!*—it’s also the time we begin to

teach them faith words: *God, Jesus, pray, love, sin, cross*. Yes, even kids as young as two can learn BIG Bible truths.

FIRST CATECHISM is a great way to introduce these words and is an introduction to the Shorter Catechism. It’s 150 simple questions and answers that teach deep Bible truths. Think about it: Kids love to ask questions, right? *Why is the sky blue? Why do people get sick? Do I have to invite her to my birthday party?*

With catechism, we ask our kids important questions and, even before they know what the words mean, they can answer with a theological depth that lays a foundation to build upon as we disciple them. For example:

- Q. Who made you?**
A. God.
Q. What else did God make?
A. God made all things.
Q. Why did God make you and all things?
A. For his own glory.

Wow, such profound truths through simple words! Melissa Kruger, a writer and educator, summarizes what catechism does this way:

1. **Simplifies** complex truths
2. **Teaches** the language of the Church
3. **Prepares** children to answer
4. **Provides** a treasure map to follow
5. **Becomes** a precious time of family fellowship

Psalm 78 reminds all of us to tell to the coming generation the glorious deeds of the Lord, his might, and the wonders he has done. How exciting to have easy tools that allow our families to teach profound truths in simple ways.

KIDS’ QUEST CATECHISM CLUB is a great curriculum for both preschool and elementary to teach these essential Bible truths through Bible stories, games, and memorization.

DIGGING DEEPER explores Shorter Catechism in two years—an excellent discipleship resource for both teens and anyone wanting to know more about the Christian faith. ☸

TAKE YOUR KIDS ON A

GOSPEL ADVENTURE

"HELLO THERE!" said *Worldly Wiseman* to *Christian*, who was walking with a heavy burden on his back. "Where are you going?"

"I'm going to that gate," *Christian* said. "A man named *Evangelist* told me to go this way to get my burden removed."

"Bad advice!" *Worldly* said. "You don't have to go that way. Go see a man named *Legality*, who will remove your burden. If he's not home, his son, *Civility*, will help you. *Legality* lives in the village of *Morality*, just down the way."

And with that, *Christian* was set astray. *Worldly's* advice took him off the path toward Christ and the cross. Little did he realize his burden would be removed not by doing something himself, but by receiving a gift freely offered to him.

Excerpt from
Pilgrim's Progress,
Chapter Two, p. 17

The classic *Pilgrim's Progress* is an allegory, a story with two meanings. First, this is an exciting adventure story of a man and his friends on a journey to a wonderful place. On their way they meet many challenges, dangers, and enemies. But it's also a story that teaches important truths about Jesus and every Christian's journey through life.

Everyone loves a good adventure story. Wouldn't it be amazing if while your kids got caught up in a dramatic tale of ups and downs, and of liars and truth-tellers that they also learned about the most important story of all—the gospel?

Through a storybook, dramatic reading, and curriculum designed for 6- to 12-year-olds, you and your children will experience:

- a deeper understanding of the astounding work of Christ
- the necessity of God's Word, the Holy Spirit, and other believers for teaching, instruction, encouragement, and support
- the true definition of a Christian
- a picture of the Christian life—a pilgrim's journey with ups and downs, distractions, and difficulties as a believer presses toward the Celestial City
- insight into the heart and character of Christians and non-Christians

WANT TO TAKE YOUR WHOLE CHURCH ON A GOSPEL ADVENTURE?

We've had a lot of churches use *Pilgrim's Progress* to do *intergenerational ministry*!

HOW? 3 STEPS:

1. Gather everyone to hear the Dramatic Reading with sound effects and character voices.

2. Break into age groups.

Children: Teach Bible truths using our teacher-friendly Teacher Manual and fun Student Activities. (Each Student Pack has a beautiful fully illustrated storybook for each child!)

Youth and/or Adults: Have an elder or pastor adapt from our Teacher Manual, which provides three to four main Bible points and Scripture passages. Find more resources, including a video series, at www.childrenspilgrimsprogress.org.

3. Have an awesome time as a family going on this journey with Christian to the Celestial City and discussing amazing gospel truths about the Christian life!
